- **IPCC** Abbildungen der Berichte des Weltklimarates können unter [bestimmten Bedingungen](#) frei genutzt werden:
Reproduction of limited number of figures or short excerpts of IPCC material is authorized free of charge and without formal written permission provided that the original source is properly acknowledged, with mention of the complete name of the report, the publisher and the numbering of the page(s) or the figure(s). Permission can only be granted to use the material exactly as it is in the report. Please be aware that figures cannot be altered in any way, including the full legend. For media use it is sufficient to cite the source while using the original graphic or figure. In line with established Internet usage, any external website may provide a hyperlink to the IPCC website or to any of its pages without requesting permission.
